About Crompton

We are one of the leading consumer companies in India with a 75+ years old brand legacy. As of February 2016, we are an independent company under professional management and have 2 business segments - Lighting and Electrical Consumer Durables. We market our products under the "Crompton" brand name in India and select export markets.

Brand of the Decade - 2021

We are proud to announce that we have received the "Brand of the Decade Award" by BARC and ERTC media.

The title was awarded to Crompton after evaluating a list of 500 organisations on key equity parameters such as trust, image, sustainability, goodwill, positioning, recall, growth, reach, and innovation.

Awards & Recognition

Crompton won the prestigious International Solid State Lighting (ISA) Global SSL Top 100 Installations award for the end to end apron lighting of GMR, Hyderabad Airport which was conferred to Crompton at Beijing in November

LIGHTING PRESCRIPTION

Step 1:

As per the room size and type, identify the required lumen from the below tables:

LIVING ROOM

Room Area (In Sq. Ft.)	Lumen Required
96	2000
108	2250
120	2500
132	2750

BED ROOM

Room Area (In Sq. Ft.)	Lumen Required
80	1600
90	1800
100	2000
110	2200

WORK/ STUDY

Room Area (In Sq. Ft.)	Lumen Required
80	1600
90	1800
100	2000
110	2200

KITCHEN

Room Area (In Sq. Ft.)	Lumen Required
64	1600
72	1800
80	2000
88	2200

WASHROOM

Room Area (In Sq. Ft.)	Lumen Required
48	800
54	900
60	1000
66	1100

AISLE

Room Area (In Sq. Ft.)	Lumen Required
48	800
54	900
60	1000
66	1100

LIGHTING PRESCRIPTION

Step 2:

Understand the layers of lighting possible in a room:

Functional Lights (Batten, Panel, LED Bulb)

The purpose of this layer is providing an even light across the room

Spot or Focus Light (COB, Downlighter, Table Lamps, Panel)

Task lighting provides focused light for specific tasks in a room that may already have some functional light.

Mood Lighting (Smart LED Bulb - Immensa, Dimmable, Tunable Batten, 3-in-1 Panels)

The intensity and color of the light can command the mood of the room, for this we have mood lights.

Disclaimer: The above informations is provided only for reference and is provided assuming the most common size of rooms in Indian households with an approximate room height of 10 Feet. To know more about Crompton Lights, scan the QR Code

PANELS AND
DOWNLIGHTERS

STAR DURA EYE SMILE

Applications:

- Study
- Living Room
- Office
- Hotels/ Shops

**Anti-Flicker Eye Protection Technology**

Anti-flicker technology ensures lower eye strain on continued usage so that your eyes smile with comfort

**Superior Long-Lasting Metal Body**

Robust metal body for superior long lasting life

- Ultra Slim panel design for easy fitment in any type of false ceiling
- In-built Surge Protection of up to 2.5kV to protect the fixture from unstable power conditions
- Long life with burning hours greater than 20,000 Hours
- 2 Year Warranty
